

Harry Wilke Award for Outstanding Volunteerism at NFCC

On Saturday, March 21, 2009, Brenda Grimo was presented with the Harry Wilke Award for her outstanding volunteerism to the Niagara Falls Curling Club. This award is presented annually to the member who exemplifies volunteerism to NFCC in a manner demonstrated by Harry himself.

Brenda has been a member since the 1970's, and has served on Boards for at least 20 of those years. She has been a great helper with managerial functions, club maintenance, running events, and many other Club activities. Thank you Brenda for your great contribution over the years, and keep up the good work.
